Ofsted

As you know, the school was inspected by Ofsted this week. Two inspectors spent two days with us; they observed lots of lessons, looked at the children's work and chatted with them, talked to staff and governors, spent time with school leaders examining their plans and discussing the process and systems we use in school, and got your views - both through 'Parent View' and by chatting with you in the playground. Senior Leaders and staff have received initial feedback and the report is being prepared. It is likely that it will be available to read in about two weeks' time. Until the report is published, the findings, and any feedback given to staff and governors remains confidential and we must respect that. Overall, we feel that the process was robust and fair. Thank you for your support and participation in it. As soon as the report is published we will inform you.

The Bear has lost his hat!

Year 1 had a visit from Bear— as part of their book that they are sharing., I want my hat back by John Klassen. The children interviewed Bear to gather information and clues as to where his lost hat may be. Please keep your eyes open and look out for 'Lost' posters around the school.

Friends of Hollickwood

The first PTA (Friends of Hollickwood) meeting kicked off what is promising to be an exciting year. We will be organising seasonal fairs, class cafes and loads of other fun stuff as per usual. A big warm welcome to both new and old members!

We also have some very cool projects in the pipeline - **Please follow the [Friends of Hollickwood Facebook Page](#) to keep updated on different ways big and small through which parents are supporting Hollickwood.** Don't use social media? We will be announcing the class reps soon... you can always chat with us if you have any questions or ideas! Especially if you want to lend a hand at one of our events.
