

# Year One Weekly update

**Friday 5th October 2018**

**Next week:** I am looking forward to seeing you all at Maths morning on Tuesday 9th October at 10.15am.

## **Art Week:**

Next week is Art Week! We are looking forward to investigating the "Island". More information to follow.

## **CP:**

This week in the backroom we have been learning about Autumn by exploring natural resources like conkers and leaves. We have also been investigating structures in the construction area by using different materials. We enjoyed learning about fruits and vegetables in the tuff tray (especially what happens when they are left out). We have been busy writing and drawing in the other areas. Wow - we have been busy!

## **Maths:**

This week we wrote our number sentences using the more than, less than and equal to symbols for both groups of objects and numerals. We also ordered numbers to 10.

## **English:**

This week in English we finished reading Traction Man! We really enjoyed the story and are looking forward to writing our own Traction Man style stories. This week we also made missing posters for Scrubbing Brush and wrote simple sentences about pictures. We are trying very hard to form all our letters correctly but still need lots of practice so please help us at home.

## **Phonics:**

This week we learnt the oy, ir and ue sound. We have had lots of fun reading new words and playing games with our new sounds like noughts and crosses in a row. We even learnt how to join our diagraphs and have started using the joined diagraphs in our writing.

## **Reading:**

We have been investigating different books this week by decoding, predicting and inferring . We are also getting really good at explaining our ideas using I think as a sentence starter.

**Homework:** Using the googly eyes given to you at the end of the day create your own toy from a common school, household or outdoor object to create your own Scrubbing Brush style toy. Also please bring in an action figure or doll from home to be the inspiration for your own Traction Man style story. Please bring in both your characters by **Wednesday 10th October 2018**.
