For homework, I would like you to plan and design your own creature.</p> <p>For your creature – you must consider whether they are part-human-part-animal. What is it a combination of? Or even disguised as a human? Does it have a special feature – can it fly/change shape/vanish? Does it have strange features that might be frightening? Or the opposite, appear attractive but deadly to the touch? If you find it hard to think one up – you may use one from other myths or legends such as the Minotaur or Medusa, for example.</p> <p>Please draw each of your characters in your book and either annotate the drawing to show all the features or write a short paragraph describing them both.</p> <p><b>YOU HAVE TWO WEEKS FOR THIS HOMEWORK</b></p> <p><b>PLEASE BRING IT IN ON WEDNESDAY 5<sup>th</sup> DECEMBER</b></p>	<p><b>Parent/Carer Comment/Feedback:</b></p>
