

Year 6 Home Learning		Friday 2 nd November 2018	Return by: Wednesday 7 th November 2018
Spelling Please learn spellings for -cious and -tious ready for your test on Wednesday.	Ancient Greece – Myths & Legends This week, we started our work on The Adventures of Odysseus and to broaden your knowledge of Ancient Greek myths/legends, I would like you to read the story I have given you and draw a storyboard of it to share with the class next week. Remember to make it colourful and easy to understand. These will be stuck into your English books.		Reading Continue to read your accelerated reader book – taking a quiz as soon as you finish your book. Keep a record in your Green book of dates and number of pages you have read.
Mathematics This week, we have been focusing on division. Please teach your parents how to divide using either the long division method or the short division method you have been taught in class. I have also set questions on the mathletics website for further challenge. Continue to practise your times tables using Times Table Rockstars – at least 3 or 4 times a week – this will support your calculations next week.			
Parent/Carer Comment/Feedback:		Parent/Carer Messages Midsummer’s Night Dream – Tuesday 6th November 2018. Your child will need to bring a packed lunch and be dressed appropriately for the weather on that day. The trip takes place during usual school day and will return by 3.20pm. Thank you – Mrs J.
