

Reception are planning a big revamp of their outdoor area and need your help! If you have had a Covid clear out and have any of these unwanted items we would be happy to re use and re love your items!

- Old kitchen equipment ( washing up bowls, drying racks, baking trays, muffin tins, plastic utensils, cooking equipment, plastic bowls, plates, cups, jugs etc ) for our mud kitchen.
- Solar lights, wipe clean cushions, outdoor rugs and picture frames for our outdoor classroom.
- Wipe clean table cloths.
- Any old toys, books or musical instruments to enhance our provision.
- Old tires and crates.
- Storage boxes
- Tea towels and towels

If you have any items that are not on the list that you think might be useful to Reception's big project please see Miss O'Brien. Thank you.
