

Year One Weekly Update

Friday 6th September 2019

Messages:

Thank you to everyone who came to the parents meeting this week. Please ensure your child has a water bottle in school every day so we can monitor your child's water intake.

Maths

This week we represented objects. We also counted forwards and backwards to 10.

Next week we will be learning to count one more, count one less and develop one to one correspondence to start to compare groups.

Phonics / Spellings

This week we finished our phonics assessments and are now ready to start our phonics sessions next week.

Next week we will be revising trigraphs, We will be revising the air, ear and igh trigraphs.

English

This week we made inferences about a picture from our new book. We wrote sentences explaining our ideas.

Next week we will be investigating the traditional version of Rapunzel by orally retelling the story and by drawing story maps.

Topic:

This week we learnt the names of different seasons. We also learnt the names of different types of weather.

Next week we will be learning about winter in more detail. We will learn how the weather in winter affects us.

Homework

Your homework is to learn your spellings and read your reading book. You also have one piece of Mathematics to complete. Have a good weekend love Miss OBrien x
