

# Year One Weekly Update

HOLLICKWOOD

Friday 22nd November 2019

## Messages:

Please remember to bring your spelling book, homework folder and reading book in **every Wednesday!** Your home learning will then be returned to you on **Friday**. This allows the Year One team enough time to prepare your work and send it home.

PE kits must be in school every **Tuesday** and **Thursday**.

Please return SMILE forms.

## Maths

This week we counted to 20. We represented numbers 11 –20 using resources and counted the tens and ones in teen numbers.

Next week we will continue to investigate tens and ones. We will also be finding one more and one less than numbers up to 20.

## Phonics / Spellings

This week we revised aw in paw, qu in queen and ar in star.

Next week we will learning the ph in phone and wh in wheel sounds. We will also be learning new common exception words.

## English

This week we investigated gender stereotypes by answering the questions - What do all princes/princesses do?

Next week we will be reading the story Not All Princesses Wear Pink in the hope of crushing some widely held gender stereotypes.

## Topic:

This week we learnt about schools in the past and practiced for our assembly.

Next week we will be taking part in a top secret exciting DT project. Watch this space!

## Homework

You have no homework this week as a reward for an excellent assembly.

Have a good weekend, Love Miss OBrien x
