

# Year One Weekly Update

Friday 6th December 2019

## Messages:

Please remember to bring your spelling book, homework folder and reading book in **every Wednesday!** Your home learning will then be returned to you on **Friday**. This allows the Year One team enough time to prepare your work and send it home.

PE kits must be in school every **Tuesday** and **Thursday**.

Please return SMILE forms.

## Maths

This week we ordered and compared objects and numbers up to 20.

Next week we will be revising Place Value focusing on tens and ones.

## Phonics / Spellings

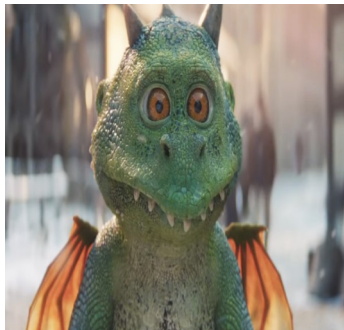

This week we revised reading the sounds we have learnt this term.

Next week we will be revising using these sounds in our writing.

## English

This week we started our film unit with Year Two. We are using the John Lewis advert 'Excitable Edgar' as our focus for the next few weeks.

Next week we will continue to work with Year Two to create some fantastic work!

## Backroom:

Christmas has arrived in Year One! We are really enjoying our Christmas challenges including our brand new Christmas Café role play area. Our class Elf 'Elfie' has arrived and is already causing havoc!

Over the next couple of the weeks we will be taking in part in lots of Christmas activities including lots of baking!

## Homework

Your homework is to find out about Christmas in another country and write about it on the Christmas paper.

Have a good weekend, Love Miss OBrien x
