

Year One Weekly Update

HOLLICKWOOD

Friday 7th February 2020

Messages:

Please remember to bring your spelling book, homework folder and reading book in **every Wednesday!** Your home learning will then be returned to you on **Friday**. This allows the Year One team enough time to prepare your work and send it home.

PE kits must be in school every **Tuesday** and **Thursday**.

Maths

This week we compared number sentences.

Next week we will be taking part in assessments to check our understanding of addition and subtraction.

We still need lots of practise remembering our number bonds to 10 and 20. Please practise this at home.

Phonics / Spellings

This week we practised reading common exception words from sight.

Next week we will be taking part in phonics assessments.

English

This week we wrote our own Rabbit and Bear stories. We worked very hard and they are very good!

Next week we will edit and improve our stories.

Topic:

This week explored waterproof materials by designing an umbrella for Ted.

Next week we will be learning more about toys from the past.

Homework

Your homework is to find out your parents or grandparents favourite toy and complete the sheet in your homework folder. You can print or draw pictures of their favourite toy.

Have a great weekend.

Love Miss OBrien x
