

Year 5 Home Learning		Friday 15/03/19	Return by: Wednesday 20 th March 2019.
<p>Spellings: To investigate tricky words and common misspells - Set 2.</p>	<p>Geography: This week we went to the London Eye, on the Thames River Cruise and to a 4D cinema. The staff at the London Eye have given you some questions to investigate and answer. To do this, you will need to use the Internet. If you do not have access to the Internet, please let me know and I can remind you to go to the ICT for Homework Club on Wednesday (Lunch-time) One of the questions asks you about which designer you prefer (Sir Christopher Wren or Sir Norman Foster) and to write why. Therefore you will need to look closely at the images of the buildings that they have designed (St. Paul's Cathedral and Wembley Stadium)</p>		<p>Reading: Please continue to read your Accelerated Reader book and take the quiz online. To do this, you need to go to our school website. Then our class page and look for the Accelerated Reader link. To log in, your username will be the first letter of your first name and the first 4 letters of your surname. For example, I would be: gprest The password for everyone is: abc</p>
