

Year 6 Home Learning		Set on: Thursday 14 th February 2019	Return by: Wednesday 27 th February 2019
<p>SPAG</p> <p>Please find out 10 of your most favourite collective nouns:</p> <p>A gaggle of geese A school of fish</p> <p>Merits for best ones!</p>	<p><u>English: Goodnight Mr Tom</u></p> <p>After half term, we will start creating a class magazine. You must decide what you are going to contribute to it. Are you going to write instructions for your favourite recipe? Maybe a recount of a special trip or place of interest? How about an information text (article) about your favourite game, sport, hobby, singer, dancer, etc. You could even write a book or film review? Record your ideas or plans in your yellow homework book and be ready to share in class on the first day back at school.</p>		<p>READING:</p> <p>I will expect everyone to have taken another Accelerated Reader quiz by Friday 1st March. Please make sure you read every day for 20 minutes recording the amount you have read each day in your A5 green home reading books.</p>
<p>Mathematics</p> <p>This week, we did an arithmetic assessment which shows that we still need to practise and perfect our times tables knowledge.</p> <p>Make sure you go on Times Table Rock Stars at home – at least 3 times a week and if you want to practise your maths in readiness for the SATs – go on mathletics for the areas you want to consolidate.</p>			
<p>Parent/Carer Comment/Feedback:</p>		<p>Parent/Carer Messages</p> <p>Parent Consultations: Tuesday 26th February 1.30-7pm.</p> <p>Please make sure you know when your appointment is and return the confirmation slip before half term. If you are unable to attend or wish to change your appointment – the sooner you let me know – the easier it is to try and accommodate your request.</p>
