

Year 6 Home Learning		Set on: Thursday 7 th February 2019	Return by: Wednesday 13 th February 2019
SPAG Please practise the common exception words in readiness for next week's assessments.	<u>Science: Living Things and their Habitats</u> This week, we have started our work on classification in the Animal Kingdom. Please complete the classification activity on the sheet and complete the jigsaw.		READING: Please read Chapter 6: Goodnight Mister Tom and answer the questions in your A5 green reading home learning books.
Mathematics This week, we have been converting decimal fractions and fractions to percentages. Your homework has been set on Mathletics. If you have difficulty accessing the internet at home – please remember to come to homework club on Wednesday to complete the work. It is important that you do this so that you do not fall behind with your learning. Also, remember to go on the Times Table Rock Stars website and see if you can increase your rock status.			
Parent/Carer Comment/Feedback:		Parent/Carer Messages <u>Parent Consultations: Tuesday 26th February 1.30-7pm.</u> Please make sure you know when your appointment is and return the confirmation slip before half term. If you are unable to attend or wish to change your appointment – the sooner you let me know – the easier it is to try and accommodate your request.
